

Refettorio Modena is set in an ancient chapel just a stone's throw from Modena Cathedral and Osteria Francescana.

Three times a week, it welcomes those facing economic challenges and social isolation, focusing on families, young people, and elderly individuals living alone.

## BEAUTY

The room where guests are welcomed exudes a special ambiance, paying homage to the city's patron saint. Its walls, adorned by two local young artists, Luca Zamoc and Luca Lattuga, depict the legend of San Geminiano. This space serves as a tribute to the city's rich history and its vibrant community.

## GIVE THE GIFT OF IMPACT

“Beauty is a language that brings the invisible to the surface. In a beautiful place, unexpected things happen, unexpected gestures that launch bridges and create closeness.”
